Make The Rock one of your church's giving causes.

The Rock is a Christian youth center going up right across from Rockford High School. It is nondenominational, and we aim to open to every student in September 2027.

Every kid

Athletes, band, theater and robotics kids. One table, one good breakfast, one message: you matter.

$900K

The final gap, in cash or in-kind gifts. It is the last push to finish the building.

Built local

The Rock takes no state or federal funds. It is built by local people and local churches.

Three ways your church can help

A quarterly offering

Give together, four times a year

Pick one Sunday a quarter for a special offering. A goal like $1,000 a quarter is a great place to start.

We will send a short update to share each time.

A volunteer team

Serve breakfast, mentor, lead

Send a team to cook, serve, greet students or lead a small group. Adult leaders are the heart of every Breakfast Club.

A Rock Sunday

One Sunday, one story

Share a 30-second announcement from the pulpit, show our slide, and put this insert in the bulletin. We can send a speaker too.

It already works in St. Michael.

The Rock follows the STMA Breakfast Club in St. Michael, a ministry that started in a family basement in 2014. At the last Breakfast Club of 2025-26, 711 students came. Area churches already stand behind The Rock. We would love yours to join them.

Free church kit at rabreakfastclub.org/church

- This bulletin insert, ready to print
- A 30-second pulpit announcement
- A slide for your screens
- A short update to share each quarter

Let's talk. Janine Zimmerman, Executive Director. info@rabreakfastclub.org, 612-749-9170.
